Family Update

We thank the Lord for the joy to give you an update on what the Lord is continually doing in our lives and ministry.

I was not able to write early this month of October for our quarterly newsletter as I have been in the hospital and is still getting my strength back.

As the Lord has opened a great opportunity for me and our ministry being

Gospel Expansion Conference & 19th VBC Anniversary

Last August 20-26, we had our annual Gospel Expansion Conference with all our missionaries in the Philippines and Singapore.

We also celebrated our 19th year of ministry and the church anniversary. We saw over 1000 people made professions of faith in 3 services as Dr.

Don Anderson preached with Pastor Jeremy Anderson. The Lord has been continually adding to the ministry as we have had 49 baptisms in the following Sundays as a result of the anniversary services.

We are in great need of Bibles as there has been many requests for them to have Bibles because we ran out since January this year. We are continually praying and working for more facilities to accommodate the growing needs of the ministry.

Victory Baptist Church- Plants and Pastors

Each year we bring back the VBC pastors and their family to Santa Rosa for 4 days of encouraging, equipping and empowering through preachings, fellowship and mentorship.

As we share prayers and praise reports, we are able to share together the joys and burdens in serving the Lord. It is also a great time for our pastors see the church family and for the church to personally meet and fellowship with the missionaries we pray

for each week. We are also blessed to hear them all preach during this conference and allow the Lord to speak to us through them. Their wives and children are able to also be blessed to meet other missionary families and to have a great time of fun and fellowship.

I am thankful that after this Dr. Anderson and I have gone to a pastor-friend's church and be a blessing to their Prayer Conference and minister to the pastors at the top north of the Philippines.

We praise the Lord for His faithfulness in our lives and families as I ask that you also pray for all the Victory Baptist Church plants and mission works in the Philippines and Singapore.

appointed as Head of the Provincial Peace and Order Office and the Chief of the Laguna Traffic Management Office, I have been adjusting all my schedules and have had lesser sleep.

Pam is doing well as she continues to take care of her mom in our house as Maron and Nathan is doing well in school but also has been sick last few days.

By God's grace our first house is still being built as we ask prayers that it will be done before Christmas as the Lord provides.

We were not able to go back to the US as we planned with our financial constraints and the need for me to reorganize and restructure the two public offices I have been appointed at.

We pray though that along with Maron and Nathan we can push through next year with Nathan being able to finish and graduate at his Bible College course at Clarksville Theological Seminary in North Carolina.

Thank you for holding the rope for us. We pray and hope you can visit us here in the Philippines and minister to our people.

Please continue to pray for us and for God's protection and provision for all that he has entrusted to us here.

Because of Him,

With these, I have initially launched again the Moral Recovery Program (MRP) law and have organized pastors to pray for every government office and have a weekly 15-minute Bible study in their offices. I have placed our Youth Pastor Preacher Paolo Saucelo and Outreach Pastor Prch. Meynard Guevarra to spearhead this program. Please pray that we can do the most for the Gospel in the positions the Lord has placed me.

Task Force TAGALIGTAS (SAVIOR) Ministry

Please pray for this ministry. The Lord has used this silently yet greatly in creating many in-roads in many security forces in the Philippines.

I am praying that many American Christian security personnel could come at this time and both train and provide tactical gears to different security units but help also witness and win them to the Lord.

The Lord has given me command and control over several tactical training facilities and have oversight to many security forces. I am praying for "warrior short-term missionaries" to visit and help minister to these "brothers-in-arms in military and law-enforcement".

It would be also a great blessing and help to hand them camouflaged Bibles. As of now I need at least 100,000 Bibles to be given to them.

Pray for Laguna Province

As the Lord has placed us in the Philippines specifically in the province of Laguna, we are intentional in fulfilling God's call and the opportunities he has opened for us.

As Laguna province is included in the area where half of the Philippine population is, we have a great window to reach them for the Lord.

Based on estimates on recent data, we have over 3.6 million people in this province where the annual growth is 2.9% in the entire CALABARZON region. Laguna has the second most population.

With Governor Marisol "Sol" Aragones as the new Laguna governor, the Lord has given me the privilege not just to help her in her governance but to minister to the provincial government and in all the communities and organizations in our province.

Aside from being appointed as the Chief of the Laguna Traffic Management Office (LTMO), the Governor has also appointed me recently to another concurrent position as the Head of the Provincial Peace and Order Office (PPOO) overseeing and coordinating with all security forces and the interior local government executives.
