Philippians 4:17 - "Not because I desire a gift: but I desire fruit that may abound to your account."

The journey begins!

Update Letter for Sept – Oct 2025

Since the beginning of September, my family and I have been on full-time deputation. This was a big step of faith for us, but we are trusting in God's provision. Over the first 10+ years of ministry and marriage, God has yet to fail us... and he isn't going to start now!

Within the first two weeks of deputation, our car's engine broke down. We are officially missionaries! HAHA! God quickly provided a much newer and more spacious vehicle that should easily last the entirety of our deputation. This new vehicle has a larger trunk space and more room for our girls to enjoy the longer drives. Praise God for his faithfulness!

We have thoroughly enjoyed each and every church that God has put on our schedule. It's been a real blessing to get to know so many different pastors and their church families. It's a joy to be so far from home and yet still feel like we belong in every service. While traveling, we have been able to make new friends who provide both encouragement and support along the way. We are thankful for the men and women that God has placed in our way so far!

After just two months of deputation, God's protection and provision are evident in our lives. He has provided safety as we travel across the country and the right churches to support our call to the Netherlands in prayer and financial support. As of today, fourteen churches have reached out to us and committed to supporting us financially. PRAISE GOD!!! There are still a few churches that we are waiting to hear back from. Please pray as they seek God's will. The road ahead is long, but we are blessed with a great start! Over the next few months, we will be in GA, NC, TN, MS, AL, LA, and TX. We appreciate your prayers and support!

God bless,

Ty Campbell
