& Church and Missionary Helps

November 2025

Dear Pastor and Praying Friends,

"Bless the LORD, O my soul, and forget not all his benefits:" We are so thankful to be able to come to you and share our blessings, praises, and prayer requests. God has been so good to us and we are thankful for each day that we can serve Him!

Ministry Travels

It certainly has been a busy year for us as we have traveled many miles preaching and trying to be an encouragement to God's people. Since our last letter we have been in meetings in Tennessee, North Carolina, Georgia, and Maine. We are thankful for safety and for the opportunity to share His Word during these days.

Macedonia News

The 46th National Conference of Macedonia World Baptist Missions was a wonderful meeting. The music, missionary testimonies, and special speakers were a tremendous blessing! We had many missionary families in attendance. Dr. and Mrs. Thomas Satterfield and Peoples Baptist Church worked so hard and were such a blessing to all of us. Only eternity will reveal the impact on the lives of so many through your efforts.

It was a very special time for Karen and me at the National Conference as we received our 50th year plaque with Macedonia World Baptist Missions. Along with that came many surprises for us. We received a beautiful crystal world award, a very special and gracious love offering, flowers, and an album of cards and letters from so many of our family and friends. (We have included a few pictures on the following page of that special evening.)

We want you to know that we appreciate every gift that was given. Words cannot express how much this all meant to us. Our hearts were filled with such joy as we read each card and letter. We are so thankful for each of you and your love and prayers throughout the years, without which we could not have reached this milestone. Our desire is that we will ever be faithful until Christ comes to take us home.

Thank you again for your faithful support and prayers. May the Lord richly bless you all.

In His Service,

Dean and Karen Hamby
