Dear Fellow Laborers for the Gospel,

In Christ, we have life eternal! What a thought that there is no other name under heaven whereby we must be saved. I'm so thankful that I cannot count on myself or anyone other than Christ to save me. He was the only one able and willing to freely offer Himself on our behalf. He not only saved me, but He keeps me safe and secure in His hand! Glory to God!! What a glorious message we have to share with a lost and dying world.

MINISTRY NEWS: God has blessed in a mighty way! I praise the Lord for all He is doing in and through our lives. These past 2 months have been very busy. We had meetings in Virginia, North Carolina, and Georgia. All the while, the ministry here at the home office continues as well. We praise the Lord for three new supporting churches these past couple of months. Thank you from the bottom of our hearts to Ridgeview Baptist Church, Currytown Baptist Church, and Linwood Baptist Church for partnering with our family for the cause of Christ! We pray that the Lord will give fruit through our ministry that will abound to your account. We also thank all of our supporting churches! By your faithful sacrifice, we are able to continue in the calling God has placed on our lives. May the Lord richly bless you.

We are gearing up this next week for MWBM's 46th National Conference being held at Peoples Baptist Church in McDonough, Georgia. We personally want to thank Dr. Satterfield, pastor of Peoples Baptist Church, and their dear folks for all the hard work and sacrifice that has gone into the planning and preparation for this Conference. We do not take it for granted. We are so excited to welcome all of our furlough and deputation missionaries who will be coming in from all over the States to attend. This is a wonderful time of preaching, singing, encouragement and fellowship with some of God's choicest servants. We are grateful to have been able to serve alongside these dear missionaries for 30 years now.

We covet your prayers for their safety to and from this meeting as well as their personal meetings that they will be traveling to in the weeks and months to come. Pray that the missionaries on deputation will raise their support in record time and that they will get to the field quickly.

We praise the Lord for sending Macedonia some new families these past few months. We praise the Lord for the Ty Campbell family going to church plant in the Netherlands and for the Jonathan Head family going to church plant in the USA Northwest. We are thankful for a young couple that has made application with us seeking to go to Italy as church planters, who we will be interviewing in December. We are so grateful for these new families.

Please continue to pray for laborers for the harvest! The world is in need of more missionaries, pastors, and faithful servants for God!

HAMBY FAMILY NEWS: We are so grateful for all that the Lord is doing in our lives. The children and grandchildren are doing fine. Amanda and I say often that we are blessed by our sons, their dear wives and the grandbabies. It is exciting to see the Lord at work in their lives.

In His service with you,
