Dearest Praying Friends & Family In The Lord,

letters and pray.

Thank you for being led of the Lord to read our

The Lord Has Been Good

With the Lord's help, we were able to reach an agreement for another year with the owners of the building that the Church rents. Martha's nephew, Esteban, did some work on the building to open a space connected to the main area used for services. Thank the Lord, we now have enough space to comfortably accommodate more than 80 people.

Activities With The Church

We have evangelized door to door, and have had people being saved and baptized in a lot of the services. In the first half of October, the children did not have classes at school, and we were able to enjoy special services for them. After that, Brother Bruce Berry was with us for a few days. It was a joy to spend some time with him. He had the opportunity to preach to us and meet Brother Abraham and his wife.

Saying Goodbye

The Church voted to receive Brother Abraham as their Pastor. They had planned a special day to thank us for our years of ministry in Valledupar. We received several gifts, cards, and letters. We were able to share a little of our testimony about the blessings of being in ministry and how the Lord blessed us as we followed His will.

Pray for Visas

We have spent considerable time processing the necessary documents to request an extension of Brother Abraham and his wife's stay to begin the visa application process. Please join us in praying that the Lord will grant us His favor and send us people who fear the Lord to help us with the governmental process of granting their visas.

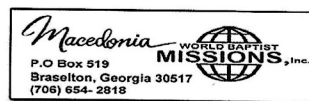

Yopal, Casanare

By the time some of you receive this letter, we hope to have moved our belongings out of Valledupar and then will temporarily store most of them in Tunja. With the Lord's help, we plan to study the city of Yopal, Casanare. We want to do this wisely, as we hope this will be the last time we move. We don't think it will be easy, but we trust that the Lord will be with us. We know that souls are very precious to Him.

Medical Checkups – Starting in 2026

Lord willing, when 2026 arrives, I will schedule medical appointments because I was unable to complete them all in 2025. As we find a place in Yopal, we hope to move there and learn more about the city and the people who live there.

May the Lord help us all to give thanks on this Thanksgiving Day and may your Christmas and New Year be filled with special moments with His blessings, together with family, friends, and brethren in the Lord. As another year is coming to an end and a new year arriving, we really don't know how to express our love and thanks for your faithful prayers and giving.
