Psalm 34:7, "The angel of the LORD encampeth round about them that fear him, and delivereth them."

Dear Pastor and praying friends,

We thank the Lord that He was willing to be the first and greatest missionary when He left His home in heaven to come to this sin cursed world to bring salvation. I'm thankful He sent His disciples to preach the message of saving grace and for all those that have carried and shared the Gospel message down through the years. It's that wonderful old story that never grows old! Thank you and your church for continuing to share the Gospel story there where you are and around the world through your mission program.

I know it will be November already when you get this letter, and I know we talk about how time is flying, but it really seems like this year is going by so fast. It is such a blessing how the Lord gives us open doors to preach and work for Him. I am grateful for every opportunity we are afforded and thankful that we can still share with people everywhere that Jesus saves!

I know you are thinking of and praying for your missionaries in a special way over these next couple of months. As the year come to a close, there will be many programs and things going on. Sometimes it is a way to get family that never, or seldom, come to church, to come for special events. Let's pray God will touch their hearts with His presence and Word. People need the Lord.

Travel Times

I chose the Bible verse to begin this letter because we rejoice that the Lord protected my wife Sherry. In October, Sherry was rear ended by an F150 that did severe damage, totaling her car. Praise the Lord even though she had some whiplash and neck pain, she didn't have any other significant damage. As you look at this picture of her car, you know the Lord's hand of protection was with her. We want to continue to thank you all for your constant prayers for our family and our ministry. Even though this is one of the many times we could see God's protection, we thank Him for always watching over us. It is a joy to be serving the Lord.

MGPI Printshop

In our last letter, I shared that we needed a new roof on the print shop here at MWBM. I had no doubt that the Lord would meet the need, but I have to be honest, I didn't know He would do it so quickly. We had some money that had come in but were a long way from \$20,000. In just two weeks the rest of the money came in. They found a lot of damage under the old metal roof, but all has been repaired and there is a brand new roof on the building.

To God be the glory and thank you churches!
