CHURCH PLANTING IN CALIFORNIA

Fall 2025

Dear Pastor and Supporting Church,

We thank God for you each and every day. Over the past twenty years you have faithfully and consistently supported us with both your prayers and offerings. This past year has been a year of exciting milestones in our work here in California. We have been able to pay off our church property after only ten years and have also celebrated the twentieth anniversary of the founding of Merced Baptist Church. After counsel, prayer and God's guidance, we are being led to resign as missionaries with Macedonia and transition to the full-time pastor of Merced Baptist Church.

Macedonia has been such a blessing to us and we have nothing but gratitude to say about their care and assistance over these many years. Quite honestly, things here have not went according to my plan, but we now see that it was all according to His plan. We truly believed that we would start a work here and then move on, but the field here in California is much more difficult than we imagined. Thankfully we are now seeing the fruit of that labor, with a growing, godly church.

Over the years we have seen fruit added to your account and we rejoice with you that the fruit added in the days ahead will still be on account of you and your support of this work. Every soul saved, every life impacted through this ministry and by this church, is because of you and your faithful support. We can gladly say that your accounts will continue to grow in the days of ahead.

Since we are resigning at the end of this year, you can consider support sent in December as a completion of your commitment to this ministry. We do covet your prayers. This is still a small work in a difficult area and this is certainly a step of faith on our part. Some have expressed interest in continuing support of this ministry at least for a short time. Please contact me if you have questions in that regard. But as of January 1, Macedonia will no longer be processing support sent to them for our ministry.

Pastors, churches, individuals, we cannot thank you enough for the patience, faithfulness and love you have shown us through these years. The Christian life is a life of faith and we often do not know where the Lord will take us, how long we will be there, and what His plans for our futures may be. But we can be certain that where He leads, He provides. And God has grown us and our faith through these many years as we have endeavored to serve Him faithfully here in California. This state needs the Lord Jesus Christ. And it seems that it is God's plan for us to stay here and serve Him. Thank you. God bless you. And please call me if you have any concerns or questions.

In Christ,

Andy Doss

Re: Anthony and Dawn Doss

Dear Pastor and Supporters:

I am writing to let you know that Brother Anthony and Sister Dawn Doss are resigning as missionaries with Macedonia World Baptist Missions effective December 31st, 2025.

The Doss family has been a wonderful example of what missions is all about. They have faithfully served in California with Macedonia for approximately 24 years planting churches, discipling and helping to mature those who have come to Christ. Because of their selfless lives, many have come and are coming to know Christ. It has been a joy to have had them as part of the Macedonia family, and they will be greatly missed.

Brother Doss is stepping down from Macedonia but will be remaining at the church there in California as the Pastor of their church, Merced Baptist Church in Merced, California

If you wish to continue their support for a time then please feel free to contact him for that information. You will need to send any support directly to them. For mailing information please contact Brother Doss at his personal number. Cell: 209-628-0455

I trust that you will remember Brother Anthony and Sister Dawn in your prayers, as they continue their ministry in California.

Yours for Souls,

Jason M. Hamby  
Assistant Director
