Dear Co-Labourers in Christ,

Greetings. I will have to say that God is a God of blessings. Since our last letter, we have had a blessed time of traveling with meetings in North Carolina, South Carolina, and Georgia. It has been good to be able to visit some of our supporting churches.

However, during this time we also were aware of Hurricane Mellissa hitting Jamaica. Well, after living there for 26 1/2 years, Jamaica is still close to our hearts. I know many of the places, friends, pastors and churches that received damage. During our time there we were hit by Gilbert in 1988 and went through Ivan in 2004, but these were not as bad as this one. I have been in touch with Pastor Paul Mason at Heritage Independent Baptist Church in Spanish Town and Pastor Davis Lord at New Town Baptist Church. These areas didn't suffer as bad as the West end of the island. There were 22 churches and four pastor's homes that no longer have roofs along with their loss of the property inside these.

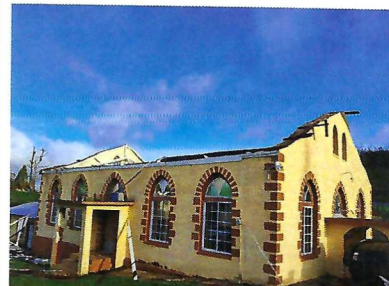

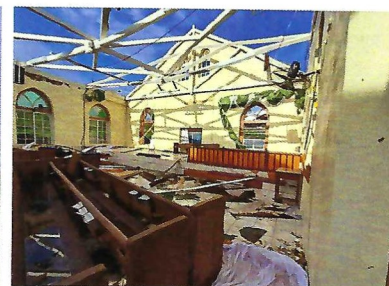

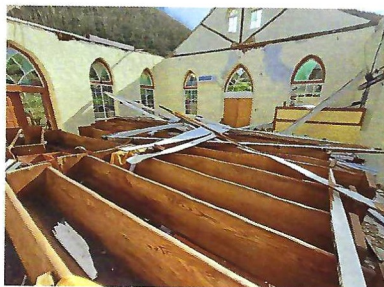

We have had food donated and were able to ship five fifty-five gallon drums on Thursday, November 20. These were shipped to Pastor Mason in Spanish Town, and he will get these supplies to the needy areas. We will be packing 5 more drums this week to be shipped after Thanksgiving. We have had several churches to help with needed food and money to help with shipping. Our understanding is that the Jamaican government has lifted the duty on these supplies until the end of the year. Any money to help is to be sent to Macedonia World Baptist Missions, Inc. designated for Wesley Hutchens Hurricane Relief. That keeps it separate from my regular support.

Thank you so much for your prayers and financial support. We could not continue to serve without you. God bless you is our prayer.

Because He cares,

Rev. Wesley Hutchens
