2025 — 3rd Quarter Prayer Letter

Greetings in the name of our lovely Lord and Saviour, Jesus Christ!

"Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. (9) For we are labourers together with God: ye are God's husbandry, ye are God's building." 1 Corinthians 3:8-9 - What a blessing to have folks that have given their lives to serve the KING of kings and LORD of lords in any way that He leads them. Some times we may have a tendency to get stuck in a rut in the plans that God had for us at an earlier time in our lives, failing to see the current plans to meet current needs, but God always knows what is best in the life of the servant and in the lives of the ones to whom the servant ministers.

Several months ago, I had the privilege of meeting a dear older preacher and his wife that are entering into a different phase of their ministry, a new ministry for them but a needed ministry for many of us, a ministry of helps. He mentioned that he had experience in many different areas of work, in which electrical was one.

We have needed some help in this area at the church for some time as we needed a good amount of light switches and controls moved from one end of the sanctuary to the other so that we could make a more permanent home for our portable baptistry.

This man of God said that he would be glad to come and see what he could do. Without going into all the details, this was a major job to say the least, one that would have cost more than we would be able to pay with so many other needs of higher importance on the list.

He and his sweet wife came and decided they would help and started right away. Long story short, in about a week and a half, all the electoral was rerouted, the baptistry was installed, and was even all plumbed in ready to go! These two seasoned saints of God worked so hard and went above and beyond the call of duty and we praise God for their willingness to be used of God in a new way, a way that was such a great help and blessing to a small church in Billings, MT.

We are in this together and it is all for the glory of God and the furtherance of the Gospel of our Lord and Saviour, Jesus Christ!

We had these precious souls (pictured to the right) waiting and ready to go for the new baptistry set up. They are a sweet family that moved to Montana some time back, have been attending faithfully and were a great blessing in their involvement. They were saved by God's grace before moving, but had never followed the Lord in believers baptism. What an absolute blessing to see them grow in the Lord and in their faith!

We thank God for you all and we wish you a very Merry CHRISTmas!!!

With the Love of Christ ~ Bro. John McKinney and Family
