

# *Merry Christmas*

## *From Sister Vindetta Wade*

December 2025

Greetings in the wonderful name of our Lord and Savior, Jesus Christ.

On behalf of my mother, I want to thank you for your kindness and generosity in continuing to support her. Your support has enabled her to have a caregiver to help with her daily needs. As I've mentioned before, I promised to keep her in her home as long as possible. Mom has dementia and needs 24-hour care.

Her dementia has progressed and is causing physical problems. She is very weak and has a lot of pain in her back. Please pray that the doctors will be able to determine the problem.

God has been so good to Mom. She turned 91 on September 12th and has enjoyed great health throughout her life. With her good health, God enabled her to work as a co-laborer with dad throughout their 65 years of marriage. She was always "all in" with ministry work and never complained or shrank from the great demands it put upon them. She served with joy and gladness just to be a part of the work of God.

At this Christmas season, I have wonderful memories of the Christmases my parents gave us. I am so thankful that they taught us the real meaning of Christmas, which is God's gift of salvation through Christ's coming into the world as a baby to die for our sins.

Our prayer is that the Lord abundantly blesses your ministry for your faithful support of widows of those who have served their lifetimes in ministry. I Corinthians 3:9 "For we are labourers together with God."

In Christ,
