*Serving as Director of Media & Assistant to the General Director*

January 2026

Greetings in the wonderful name of our Lord and Saviour! We trust you are excited about the opportunity to serve Him in this New Year! The Lord has certainly been good to us to give us the privilege to be busy about His business. May we never take these opportunities for granted. As a family, we have seen the Lord's blessings. As we reflected back over the past year and looked ahead to the new year, we simply say God is Faithful. He has been very good to our family. We look forward with great anticipation to 2026.

We closed the last quarter of 2025 with some great meetings. We traveled many miles between meetings. The Lord kept us safe each mile of the way. We were blessed to be in wonderful churches. We were even blessed to pick up new support. Praise the Lord! We also had our National Conference in November. The Lord blessed our meetings in a powerful way. The missionary families in attendance were challenged and encouraged regarding continuing in the work God called them to. I believe the meeting was a help to them. A meeting like that is a big project, but what a blessing to see it help so many families.

In December, we welcomed two new families to Macedonia World Baptist Missions. We are excited to see how the Lord will use these families. We are already in process of helping them with their deputation materials. It really is awesome to be able to help these new families with the materials they need as they share their burden to reach the area of the world that God has called them to. We also have a few more families that are in the application process. God is blessing Macedonia with new families. We rejoice in seeing these families answer God's call upon their lives.

December also brought Christmas music to our online radio station. People all around the world tune in and enjoy the music that reminds us of the Reason for the Season. We have seen a steady increase in listeners lately. As we travel, we often hear reports from people who share with us that they listen regularly. It is a wonderful tool that God has given to us.

As we look ahead to the first quarter of 2026, we are excited. In January, I will have the opportunity to be part of a Reach the World Youth Conference in Ocala, FL. This is a great opportunity to share world evangelism with the young people gathered there. Please pray now that God will work in the meeting and that He will especially help me to say the right things to challenge the young people. God is using the Reach the World Youth Conferences in a mighty way. We are already working and planning for the one we host at the Home Office. Mark your calendar for Saturday, April 18, 2026. Registration for the conference will be open soon. You want to register as soon as possible. Space is limited, and we have been near capacity each of the past few years. Missionaries are on the field today who surrendered at the Reach the World Youth Conference. God is working through these meetings.

As we close, we want to again say thank you for your faithfulness to pray for and support our family. We could not do what we do without you. Also, several of you sent special Christmas gifts for our family. You are a great blessing to us. The Lord knew exactly what we needed, and He used you to provide that need. If we can help you in any way, please do not hesitate to reach out. It has been some time since we have been able to visit some of our supporting churches. We would love to come by and update you on our ministry this year. Thank you for your partnership in the Gospel.

Serving Him with gladness,
