*Philippians 4:17 - "Not because I desire a gift: but I desire fruit that may abound to your account."*

The first four months of deputation are in the books! To say that God has been good is an understatement. Since the Netherlands is the 3<sup>rd</sup> most expensive country for Americans to move to, we need to raise a high amount of support. Because of this, slow progress is expected... but so far, **that hasn't been God's plan!**

In November, we were blessed to be with several great churches in northern Georgia. These churches were on fire for the things of God. Most of them took us on for support right away! From there, we were able to attend the **Macedonia National Conference** at People's Baptist Church in McDonough, GA. At the conference, we enjoyed the opportunity to meet much of the Macedonia family for the first time. People's Baptist Church and their pastor, Bro. Satterfield, were **first class**. From all of the cooking, cleaning, decorating, and more, they were very gracious hosts and a blessing to every missionary present.

After the conference was over, we headed to North Carolina, where we spent the next several weeks. **To be honest, I could write several update letters about our time in North Carolina.** We met many amazing pastors, sweet churches, and added several supporting churches. On the way home for Christmas, we visited with churches in Tennessee, Mississippi, and Arkansas. We are looking forward to partnering with these churches for many years to come in the Netherlands!

As of our last update letter, we had 14 monthly supporters in our first two months of deputation. Two months later, God has sent 16 more monthly supporters our way! With a total of 30 monthly supporters, **we officially hit 25% of our support goal!** God is too good to us! Please continue to pray for God's protection on the road and for Him to put the right churches on our path. We appreciate your prayers and support!

God bless,

Ty Campbell
