Greetings Pastors and Praying Friends,

We spent New Year's Eve and entered 2026 crossing the Pacific Ocean as we travelled back to Taiwan! The past four months have flown by, no pun intended! We visited many of our supporting churches as well as some new ones. We were met with the warmest hospitality. It is so encouraging to us to see how so many churches are enjoying the Lord's blessings. Many of these churches have supported us the entire 40 years we have been in Taiwan! We are truly blessed to have you as partners in the Lord's Work in Taiwan.

I had an MRI on my neck upon returning to Taiwan. They have scheduled surgery January 19th to remove a bone spur which is pressing on my esophagus. Thank you for your prayers concerning this.

Praise the Lord the churches in Taiwan have grown while we were away. The church members have rallied together to serve the Lord and continue the gospel work. Neil and Kelsie have done a great job carrying on the responsibilities in the new church.

While our van and motor scooter batteries have died while we were away, but our life's "batteries" have been recharged and we are ready to go again! It has been a special blessing seeing many people at the altar during some of the services, yielding their lives to the Lord to be used of Him.

Thank you so much for the many Christmas gifts. Happy 2026 to all of you. May this be the most fruitful year in all of our ministries.

In Christ,

Keith and Jeanette Cullers
