

December 2025 Prayer Letter

Dear Pastors and Praying Friends,

I trust this letter finds you all doing well. I want to thank each of you who gave extra to us for the recent Croatia trip and for Christmas.

Our time in Croatia was successful. We got to see two people come to know the Lord as Savior! There were many others that received Bibles at our Bible handouts. While in town, Janya and I tried to remain faithful in being a witness and giving out gospel tracts although it was sometimes difficult because of the language barrier. We made it back to America December 8th.

Not long after returning, I received a call from a pastor friend of mine requesting my help in Kosrae. That is an island of Micronesia. Apparently, there are two churches there that do not have pastors. I will be going for a month to try and be a help to them. I will be making this trip alone because of the expense. That leads me to a SPECIAL NEED that we have. This trip came up suddenly, and it is expensive to travel there. By faith, we have already purchased my plane ticket and reserved a place to stay. Would you consider giving a special offering toward this trip? You can send it to Macedonia and mark it for travel expense.

When I return from Micronesia, we will be going to Pontoon Beach, IL to assist Central Baptist Church for a few months. They are in need of a pastor. We are going to hopefully strengthen them with consistent preaching and evangelistic work. Please pray for us as we endeavor to replant this work. I will also be assisting the church in finding a pastor.

We were gone a total of five months of 2025. It's beginning to look like we will be very busy in 2026 as well. I love it! I love the Lord, and we love being a part of your missionary family!

May we all strive to witness more this year. May we worship more this year. May we work harder this year. We are another year closer to the return of our Lord Jesus!

May the Lord bless each of you. Thank you for praying for us and giving to the Lord's work.

In Christ,
Duane Earwood
