Ministry

Thank you for being part of our ministry for another year, it was our best year yet. We hit a new high attendance, held better average attendances, and saw the church grow. Even as the year closed, we saw more souls saved. We held several amazing events throughout the year, increased our evangelism and outreach programs, added more ministries, and really saw our people grow in every way we can ask. We just announced in the past few weeks that there are four women in the church who are pregnant, so it is growing that way too.

November was a busy month for evangelism; but not really for church events, we only had a couple's banquet. We had training for door knocking though, and gave the gospel in many cities in Belgium and the Netherlands.

In December we finished our first semester of the Bible College and began the second. So far, this has been one of the most fruitful ministries we have ever done here. We had our regular evangelism events, and some smaller events at the church for Christmas and the New Year, but most enjoyable was letting five of our men preach some of the services, for two of them it was their first time. Josiah was included as well and preached his second message, at only eight years old. All of them did an amazing job. Our church also put together gift boxes for Bro. Paul Hamilton's orphanage in Moldova to help them in some small way. I know he was able to see some saved through this project as well.

Concerning the house we are trying to buy on the front of our building, we had a small update. We were able to sign a contract that the owner will not sell it to anyone else while we are still negotiating the sale, and got him to reduce the price by another 5,000.00 euros too. We will have another discussion in early February, please pray that God will provide enough by then that we can negotiate taking over the property immediately and pay the rest monthly.

Personal

Thank you for the Christmas gifts and cards, they were a great blessing; and thank you for your prayers for our family too, God has been good. The kids are currently enjoying their first big snow in the almost nine years we've been here.

Prayer

- Pray** for God to provide enough to help with our negotiations to buy the house.
- Pray** for my knee, it seems to be healing after injuring it here eight years ago.
- Pray** for Gail, the last tumor in her lungs is so small that it is almost gone!
- Pray** for our church and our ministries to grow to new heights this year.
- Pray** for God to provide a pianist to help free Lory for other ministries.
- Pray** for those four pregnant mothers in our church and their babies.

Thank you for your prayers for our family and ministry. I have no doubt that God has blessed us because of your faithful prayers, and we could not do this without you.

With Sincere Gratitude,
Bro. Junior Haley
