December 2025 Merry Christmas & Happy New Year

Dear Brothers and Sister in Christ,

It is hard to believe that 2025 has come to an end and we are on the threshold of another year. Growing up I never imagined that we would see the year 2026. One thing is abundantly clear to me now more than ever, and that is the fact the we are closer to the Lord's coming for His church than ever before. We must busy ourselves with the mission that our Savior has tasked us with. Soul's lives are hanging in the balance.

Year in Review: As we look back at 2025, I have to say that the Lord has proven Himself time and again. Through the ministry of the local church, both here and abroad, countless lives have be born again and their eternal destiny has been changed from a place of torment in the Lake of Fire to an eternal home with the King of Kings. It is a wonderful joy to be a part of God's great plan of reconciliation of the lost to Himself.

During this year we have traveled many miles, preached in many churches, and seen several families added as missionaries to the Macedonia family. It thrills my heart!

As we wrapped up this year, we were blessed to accept another couple of missionary families. They are the Bing family going to Italy, and the Young family going Mexico. We are currently in the middle of their deputation training. We ask you to pray for them as they are starting on the deputation trail to raise their support for their ministries.

We were also blessed to be able to finalize the deputation of two other missionary families. The Ryan family to Spain and Brother Gudger to New Hampshire. The Ryan's are wrapping up their last meetings and Lord willing, plan to leave at the end of February. Brother Gudger had his commissioning/send off service on the 28th and moved to New Hampshire to begin his ministry on the 30th of December. We are so excited to see how the Lord is going to use these dear servants of God.

For our family, God has been so good! We praise Him for His blessings in our lives. The boys and their families are doing well and are super busy in their respective ministries and lives. It sure blesses our hearts to see them and their wives serving the Lord. We are so undeserving of all God has done for us!

Lastly, Amanda and I want to say a heartfelt thank you to each and every one of you! Thank you for helping to make 2025 one of the most productive years of ministry for us. And thank you for the faithful support, both prayerfully and financially. With your partnership we could not serve as we do. We are blessed to be serving with you. We are also so grateful to each of you who have sent us Christmas love offerings. May the Lord continue to bless you and use you for His glory!

With love and appreciation,

Jason and Amanda Hamby - Psalm 118:23
