Planting Churches

Dear Partners in Ministry,

Thank you to those churches and individuals which have helped us in a special way since our last letter. We appreciate the nice Christmas gifts as well as the love offerings for the church building.

Please pray about this- As I am writing this, I am scheduled for surgery this afternoon. The cancer has returned. We found four active areas in my upper torso; but, again, the doctors think that they can remove everything. This is a very recent development as we only discovered these new areas of activity about a week ago. I am asking that you pray that the cancer will not return and that recovery will allow us to continue our ministry. If everything goes as we hope, I will be able to return to a normal schedule in about two weeks.

I will close by sharing some recent texts sent to me as a result of what Christ has accomplished in the hearts of those who have been saved through Island Baptist Church. They can say these things because you have prayed and supported our ministry. We can do nothing in Belize without God's protection, grace, and His wisdom... and YOUR HELP.

"We love and appreciate you. I thank God every day for putting you in our path because you've taught us so much and have been such a blessing in our lives."

"Thank you for the Bible verses that you taught to me last night. Sometimes I easily get discouraged and down, but I know that my faith in God is helping and everything will be okay."

*Thank you for your support and prayers.
