## Missionaries to Thailand

October-December 2025

Dear Pastor and praying friends,

It is hard to believe that 2025 is already over! But we praise our Lord Jesus Christ for His and your faithfulness all throughout the year in interceding for us and partnering with us in the Lord's work here in Thailand! Thank you so much for all the Christmas greetings, sacrificial Christmas offerings and birthday greetings for my wife and daughter!

Praise the Lord, while going door to door, we recently met several people that allowed us to not only witness to them one time but also gave us time to follow up with them! Please pray with us that these people will really think about their need to repent and receive the forgiveness for their sins and will cry out to the Lord Jesus Christ to forgive and wash away their sin or that they will at least start reading the tracts, John and Romans, or Bible study book we have given them because Romans 10:17 tells us, "So then faith cometh by hearing, and hearing by the word of God."

Please pray for a young adult at Lanna Baptist Church because they have been having many problems, but, praise the Lord, they allowed me to really talk to them! I told them they need to search their life and get rid of anything that is not right in the eyes of the Lord because these things are avenues that their lusts, demons and Satan uses to war against us. To get victory, they have to destroy these avenues. I also challenged them to read First John for understanding; please pray they will do this because Hebrews 4:12 tells us, "For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." If you have never read the book of First John for understanding, it will be a blessing to you also!

Unfortunately, the family with two adult children that we have been mentioning in our recent prayer letters was not ready for us and Lanna Baptist Church to hold a Christmas outreach in their neighborhood, but they have been coming more faithfully! The father and one of the adult sons said they will start studying the Bible with me in the next couple of weeks! Please pray for this and that they will allow the Word of God to be their guide in their faith and not the experiences they have had.

Unfortunately, the family of the teen in my last prayer letter who told me they finally understood salvation and asked the Lord Jesus to save them has not come back yet, are going to a non Bible based church and have been inviting others to go with them. One of these people told them they got saved at Lanna Baptist Church and that is where they need to go; please pray they will stay steadfast and this family will see the error of their way and come back.

Before December rolled around, we challenged Lanna Baptist Church about doing a Christmas outreach in the surrounding schools. Praise the Lord, they helped, and we got into a small school right down the road from the church! This was

Lanna BC's first time doing this, and we praise the Lord many of them helped buy items for the small gift bags we gave out, which also had a gospel tract and Bible story book in it. Several of the members came and helped out! Plus, the teachers and school principal joined the event and heard the Gospel also! After the event, Bro. Apisit was able to share his testimony with the principal and a couple of the teachers.

Also, because of your prayers and faithful support, we were able to help Wiang Ping Baptist hold Christmas outreaches in two nearby schools. All in all almost 450 students, 48 teachers and 3 principals received a gift bag with the Gospel in it and heard about the real meaning of Christmas. Pray with us that we will see some earthly harvest from this soon.

We also praise the Lord that our girls were able to come back and help us in the 3 school outreaches and the 4 church outreaches we had a part in. Also in December, we were blessed to see a sign that several of the brethren of Lanna BC have grown because even though they brought many things not only for the school outreach but also for the church outreach, they were able to send their full amount missions support to the 2 missionaries they just started supporting in February 2025!

Additional things to help us pray for:

- Our being able to move near Lanna Baptist Church, so we can help them more and, Lord-willing, help them start a new church in 2026!
- Lanna BC's 2<sup>nd</sup> missions revival that, Lord-willing, we will have in February. May the members decide to trust the Lord more in giving to help get the Gospel and Bible truth out through at least taking on 1 more missionary and faithfully supporting them. And may they be an example to the other Thai Christians and churches that they can allow the Lord Jesus Christ to give through them what He will not give to them!
- Our 3<sup>rd</sup> Youth Camp in April where we will challenge the youth to really give their lives to serve the Lord full-time and that they can really trust Him to take care of them!
- For the Lord's continued provision in wisdom, health, care of the ministry and our family!
- For the Lord's continual help with our two daughters' Bible College studies, and that they will allow Him to build them up in every area of their life so they can help others come to know Him as their Lord and Saviour!

Thank you again for sacrificing your time and resources to pray for us and help us get the Gospel and truths of the Word of God to the people here in Thailand!
