# GUYANA

Dearest Church Family,

November-December 2025

**SEPARATION:** November 17th, I traveled back to Guyana alone to do some more work on the house to prepare it for our return as a family. Thankfully, I was assisted for a few weeks by Cameron Fair from our sending church. He was a tremendous help in many ways and we greatly appreciate his help. This season of separation was extremely difficult for us, as Haylee and I do everything together. But God's grace truly is sufficient and I was able to make much progress.

**STANDARDS:** During my time back in Guyana, I did a series entitled "How to Build Your Own Biblical Standards" based on the phenomenal book by the late Pastor Caviness. It has been such a joy to see the Word of God enlighten the eyes of our people as they learn how to make the Bible real in their daily lives. Please pray for fruit to remain.

**BROKEN BOTTLES AND BROKEN HEARTS:** This month, I officiated one wedding and four funeral services. The last funeral was for the brother of a faithful young man in our church. He was stabbed to death with a broken glass bottle on Christmas day by his girlfriend. The same day, brother Alex and his wife Celene and I visited the patients at the hospital to witness and encourage them. I spoke to TROY who was stabbed in the forearm with a broken bottle in a drunken fight that morning and watched the aforementioned young man die in the bed beside him from the same thing. Please pray for TROY to be saved and for comfort for Delroy's family.

**TOGETHER AT LAST:** I am writing this letter from the Georgetown airport in great anticipation of being reunited with my girls. Our time apart has been just as hard on them as it was for me in the jungle. I love my Haylee and I am so thankful for her willingness to make deep sacrifices for the cause of Christ and the souls of men. Please pray for safe delivery of our next child. Your Servants in Christ,

Blake, Haylee, Sabina, & Baby
