Missionaries to Argentina

October-December 2025

Greetings from very warm Argentina!

It is currently 95 degrees Fahrenheit here.

Psalms 107:1 says, "O give thanks unto the Lord, for he is good." As we look back on 2025, we can truly say that God has been good! October, November, and December were very good months.

October began with our third anniversary service, and to summarize the three years of Mount Zion Baptist Church in one phrase, it would be "God has been good!" From the very beginning, God has been good. He provided a place to have services when no one wanted to rent to a church. God also provided a wonderful group of faithful brothers and sisters. This year God provided the opportunity to purchase property and begin building our auditorium. We had Brother James Belisle from Marion Avenue Baptist Church in Washington, Iowa, preach for us. He preached at our inauguration service, and now he has also preached at our third anniversary service. Nearly 300 people were in attendance, including adults and children, and many accepted the Lord as their Savior. It was a very special time. My heart is full of gratitude because God has been good!

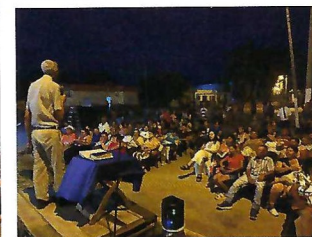

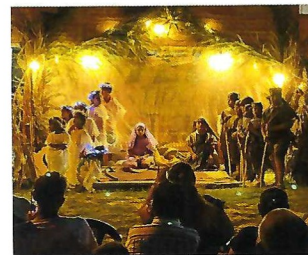

In November, Pastor Tim Pledger from Florida visited us. During the month, we also showed The Jesus Film outdoors and preached in two jails. Many people accepted the Lord as their Savior. It was a great time and a great encouragement to us.

In December, we had a special outdoor Christmas service. My wife had the children from the church act out the Christmas story. We also had a Christmas cantata and a special Christmas sermon preached by my father. It was a wonderful time. Many people heard the gospel message for the first time, and our church members prepared a large meal for everyone. We nearly had 200 people in attendance with many others standing to the side or sitting outside their homes while listening. People came out with their chairs so that they could hear the service. It was wonderful to see our church members serving the Lord! Also in December, we had our Bible college graduation. We had 14 graduates, and it is wonderful to see our graduates going out into the ministry. Please pray that God will greatly use them for His work.

Here is an update about our construction. We are continuing to work on the walls. They are currently 2.2 meters (about 7 feet) tall, and they need to reach 4 meters (about 13 feet). The walls that divide the bathrooms and the kitchen are complete. My prayer is that we will be finished in the next few months and begin having services there. Please pray that God would provide the money needed to finish this project.

We thank the Lord that our family is in good health. Matthew keeps growing and growing! He will turn one year old on the 21st of January. Time truly flies! He wants to start walking, which is very exciting. Please continue to pray for us, and we will continue to pray for you all. We hope that you had a wonderful Christmas, and we wish you a Happy New Year!
