

Marti Roberts

Missionary to Honduras

September - December 2025

Dear Pastors and praying friends,

It's hard to believe that 2025 has ended and we are already into the 2nd week of 2026. They say time flies when you're having fun, and what is more fun than serving the Lord and having a front row view of all He is doing here in Santa Rita, Yoro, Honduras. The last quarter of 2025 was a busy time for us.

In September we celebrated the Independence Day of Honduras. We were blessed to be able to serve our people a typical Honduran lunch and they heard a wonderful message about the liberty we have in God. In September we also celebrated our 14th anniversary. It is always a blessing to look back and remember where God has brought us from. What began in a storefront with only a handful of people has grown into a lighthouse in the community, with our people ready and willing to reach their neighbors with the Gospel.

During the month of October we held 3 evangelistic campaigns in different areas where we want to expand our bus route. Each night we had a video, a Gospel message, and food to share with the community we were in. We saw a wonderful turnout and had many begin attending church from those bus routes.

November is the month of our big men's conference. This year we had a great turnout as men from all over Honduras and El Salvador came together for 3 days to hear uplifting messages, enjoy meals together and hold competitions.

December is always busy with the various Christmas activities. This year we did something a little different for caroling. We went into one of the communities on our furthest bus route and had singing in the park. There was a short Gospel message, Christmas songs, hot chocolate and cookies for everyone who attended. Our school program was a great opportunity to share the Gospel with almost 500 parents/grandparents who came to watch their children perform with their classes. The school has become our biggest outreach into the community and God has blessed our efforts as we see many of the school families begin to attend church here as well.

I would like to say thank you to each of you for your prayers and support during 2025. Without that, there is no way I would be able to stay on the field and do my small part here at Hope Baptist Church. As we look forward to 2026, I am excited to see exactly what God is going to do in and through our church.

My prayer for you is that 2026 will be the greatest year you have, serving the Lord and sharing the Gospel message everywhere you go. Please pray for me to be able to do the same.

Your grateful missionary,

Marti Roberts

"Also I heard the voice of the Lord, saying Whom shall I send, and who will go for us? Then said I, Here am I; send me."
Isaiah 6:8

Missionary to Honduras

Honduran Independence Day. Serving a typical Honduran meal after services Sunday morning

Our 14th church anniversary. God has brought us a long way in 14 years and I can't wait to see what He will do next.

Evangelistic campaigns in October. We were blessed to go into 3 different communities and share the Gospel through videos, messages, and songs. After all was over each person attending got a pair of sunglasses and a walking taco meal. We have seen much fruit through these campaigns.

Men's Conference 2025. The theme of the conference was Abide in Me. As you can see, many men were able to attend.

The school has become such a blessing to the church and vice-versa. During the Christmas program over 400 parents and grandparents were able to hear a clear Gospel message and we have seen many start coming to church with their children.

HAPPENING NOW!! This week we are having a soccer camp for children in the community. They receive shirts and water bottles, but best of all they hear God's word. I just walked through after today's message and there are many children receiving
