Dear Pastors and Praying Friends,

What a blessing to enter a new year. It's hard to believe that we've reached 2026. Time seems to be passing faster and faster each year. What a reminder that we have much to do for the Lord and little time to do it!

We had a wonderful holiday season and are so thankful for the time that we were able to spend with our families. Our oldest son, Luke, came home for one month from Golden State Baptist College and it was wonderful to have all of our children together again.

We ask you to pray for both of our boys as they are away serving and seeking the Lord's direction. Luke, while he is away training and serving at college, and also for Logan, who left on the 20th for his internship in Papua New Guinea. He arrived there just a few days ago and is doing well and already enjoying his time there. It is a beautiful place, but is also very primitive and in great need of the Gospel! He will return on March 18th. Please pray that God will do a wonderful work in his heart while he is there and that he will be a great help to Bro. Caleb Wilson and his family. We are so appreciative to everyone that gave to help fund his internship. It is so exciting to watch God build the faith of your children as he provides for them.

So, with only Leah left in tow, we hit the road again last week. We traveled down to Ocala, Florida, to host a Reach the World Youth Conference at Central Baptist Church. God gave us a wonderful conference and we are so thankful for the huge heart that this church has for missions. We will spend all of February in Florida and will be in several churches and Christian schools. We'll also host another Reach the World Youth Conference on Feb. 28th, in Riverview, FL. Please pray for God to do a great work in the hearts of all the young people that will attend the conferences and chapel services. We ended 2025 having had the privilege to challenge over 4,000 young people for missions. We are praying for great fruit and for the next generation to surrender their lives for the furtherance of the Gospel. Please pray with us that God will send forth laborers into His harvest.

We will be in Florida through the end of February, then we head to Indiana, Tennessee, and Georgia in March. We will host two more Reach the World Youth Conferences and will be in several churches and Christian schools. We are looking forward to a great 2026 and are asking God to fill our calendar with the places that He would have us to go. If you desire for us to come and be with your church in any capacity please reach out and we would love to try to make that happen.

We appreciate you all so very much! Thank you for your faithful prayers and support! God is doing big things and we are thankful to be a small part!
