Reaching the world for Christ through the printed page

Oct.-Dec. 2025

Merry Christmas to you all. Can you believe another year is about done. The time of Christ's return is nearer than ever. We are thankful to still be in this good work.

On a starry night not long ago: The shepherds were the first to hear about the birth of Jesus. *And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men.* Luke 2:8-14 What a huge event for them to be a part of. God himself came as a little baby, lived a sinless life, then died on a cruel cross for our sin. The shepherds were the first witnesses for Christ. They told of the one who came to save his people from their sin. The proud shall not enter into the Kingdom of God. Only those who put their trust in Christ will be saved.

Answered Prayers:

This fall the print shop has received a steady flow of job requests. Regular tracts, specialty church tracts, ministry booklets and brochures being the most requested items. It has been great to see Brother and Sister Webb coming in to help fold tracts once again. They are such faithful servants in this work. Having a leak-proof roof is also a great blessing for the print shop. It was replaced this year and Glory to God it is paid for. Yes the Lord has blessed this ministry well this year.

I am happy to be back at it here also. I've had three replacement prosthetics made since my leg amputation last year. They say that this is normal as the stump shrinks month by month. Most days at work I'll turn around and realize I have left my cane some place in the shop. Today I realized I had left it in the car when Sylvia dropped me off at work. Oh well, of course I limit the amount of time in using the prosthetic according to doctor recommendations. But my next big challenge is to begin to drive myself to work and back. Thank you Sylvia for chauffeuring me around.

We are still driving my old car around and it has been a great blessing. We are saving up money to replace Sylvia's car and are nearing the down payment goal of \$5000.00 dollars. A big thanks to several churches and family members who have contributed to this fund.

"Thank You For Your Prayers"

Aaron and Aubrie have just adopted a baby Boy!

Thank you for your prayers and may the Lord bless each one of you in these last days. Remember, "the Lord Will Provide!"
