November/December 2025

Dear Praying Friends and Supporters,

Our wonderful Lord Jesus has given us the tremendous privilege of serving Him another few months here in Colorado. We haven't seen near as much snow as in previous years, but we have **redeemed the extra time** with street ministry, door to door visitation, and trying to keep up with the young people during our outdoor activities! It was a blessing to have two first time visitors with one of them returning for another service with a few questions. We have several facilities (Jail, school, and assisted living) that we are trying to get into for Bible studies or even services. Please make this a matter of prayer.

There were young people that gave pieces of money while we were on deputation to put into the first offering when we start the church. We had that service in November, and those boys and girls **even though not present** made an impact on everyone in the service. Proof positive that "Little is much when God is in it!"

As we learn more about the area travelling up one street and down another there is a **HEAVY** presence of Mormon activity. So far, we have counted 12 buildings (Can't call them churches) and 1 Ward within the town of Parker. Titus enjoys handing out tracts all the time, but when he gets to speak to the "elders" it just makes his day. Pray for the **LIGHT of the GOSPEL** to penetrate through this dark, demented, and destructive doctrine.

Help us pray about an **abandoned building** that would make a great Church building. We pass it almost everyday and say what we would do here or there. We have asked about it, but so far, no definite answer as to whom it belongs. Please continue to pray for God's guidance in all these things.

"All that are with me salute thee. Greet them that love us in the faith. Grace be with you all. Amen." Titus 3:15

Cultivating In Colorado,

Teddy & Crystal Angel
