

January - February 2026

Dear Pastor & Church,

We are still serving by God's grace and God's mercies. Like many of you we had two snow and ice Sundays that created two back to back cancellations and a need to reschedule. It sure was good to be back in Church this past week and to have part in a great Missions Revival meeting. We certainly were encouraged in the meeting to keep reaching the lost and keep promoting missions to the next generation of missionaries. Our heart desire is to be instrumental in seeing more young families to accept God's call to the mission field. Please feel free to reach out to us if God is calling you to missions so we may help in any way we can.

Two needs we would ask you to pray about helping with. The first need being we are still trying to raise funds for replacing the old rusty Toyota van that Pastor Jemingan was using to pick up folks for Church. The old van was too far gone for repairs and has already been sold for its junk value. We now have \$2000. toward the van and need at least \$3000 more to get a good used one. The second need is to replace a stolen motorcycle that the mother of the two girls that lived with us lost two weeks ago. Sad story but the mother was tricked into loaning to someone she did not know well in pretence of carrying his wife to the hospital but now realizing he never intended anything but to steal the motorcycle. She has filed a police report but the police told her they don't expect to find it. \$1500. would meet this need.

We have open dates and would love to hear from you and book a time to come for mission conference, revivals or just come and give in person update of our work. We continue to help with monthly support and help to seven national pastors and the schooling for the two girls that lived with us. As always, thank you for your faithful support of us making it possible for us to do what we do.

Love in Christ,

Stanley & Melinda Ewing
