# GUYANA

Dearest Church Family,

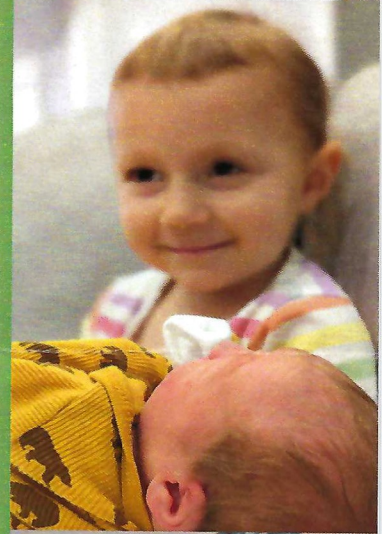

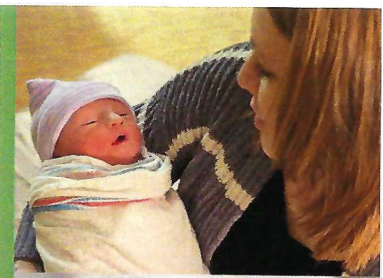

January 2026

**THANK YOU:** Thank you for all of you who sent Haylee a kind birthday card. Thank you for all of the kind Christmas gifts, letters, and messages. Thank you for the sweet anniversary notes. It is such a help to us to know that you are thinking of us and praying for us as we do our best to serve the Lord here in our corner of the harvest field.

**VENEZUELA CRISIS:** At the very moment I was writing the last letter, my flight was being delayed by the capture of Venezuelan President Maduro. Thank the Lord, they gave us a new flight plan that took me west over Colombia and then back east over the Gulf of Mexico. In the Miami International Airport, I passed long lines of people waiting to rebook their flights. Praise the Lord, I made my connection and was greeted by my girls at the airport. Although life in Guyana is not directly affected by the Venezuelan crisis, it may escalate some danger and difficulty with the visa process.

**JAMES HOLT MUSCOTT:** I arrived back to the States just in time for our wedding anniversary, Missions Conference at my father-in-law's church, and revival at my parent's church. On Thursday, Jan 15<sup>th</sup>, Haylee went in for a routine checkup. Seeing a blood pressure concern, they sent her over to the hospital for some lab work. After hours of waiting, they told us that they would be keeping us overnight. Thanks to my prudent wife, we were already packed just in case. By 2:15AM Friday morning, January 16<sup>th</sup>, we welcomed our little James Holt into the world! We praise God for a safe delivery and speedy recovery for Haylee. Sabina loves being a big sister and absolutely adores her little brother. We have applied for his expedited passport which we hope to receive in the next few weeks. It has been good to spend time with family, but we cannot wait to return home and get back to work in Guyana.
