Missionaries to the Upper Midwest

January-February 2026

Praying friends and faithful supporters,

Since our previous letter, we have some exciting updates for you. The last news that we shared with you was about reconciling with our Pastor, our home church, and MWBM. We have spent the last several months traveling and raising support to get back to South Dakota. Those months have been fruitful, and we have more to share with you.

We are almost done with our furlough/deputation time. We have the support we need, and our family is ready to get back to work planting churches in South Dakota. Our calendar is filled through February and March. Praise the Lord for those meetings, but we have a lot of logistics to handle in the coming months.

I went this week to South Dakota to secure and sign a lease on a house for our family, and I used this trip to take a load of our belongings. At the end of March, the family will be moving back for good and are extremely excited!

Please pray for us as we finish up our scheduled meetings. Lord willing, I will continue to take loads to South Dakota over the next several weeks so we don't have to do it all at once. Also, pray that the transition is easy and that we can get settled quickly and get back into a good routine with our family.

In Christ,  
Scott Pannell
