Goals

- Church Planting
- Christian School
- Christian Care Ministry

Family

We are doing well in our family. Our family is still planning for our son, Enock's wedding. He had to postpone due to financial challenges but God willing He will do it this year. Our second son is also doing well. Our daughter has completed a course in Nursing and she is doing well. My wife is also doing great and we thank God for that.

Thanksgiving

Last year was very challenging. But we thank God for His care and mercy. I went through health issues but we thank God who restored my health. We thank Him for many things He did for us in our ministry.

The Ministries

Church

The church is doing well. Our service starts at 9 AM to 10 AM. We thank God for changing lives of the people especially the students. We shall have a prayer day later this year in June. We are planning to invite members from the community. We are looking forward for that day.

Christian School

Our Christian school is doing very well. Last year we had candidates who did very well in their National Exams. We thank God for that. They have proceeded to high school and we pray that God will guide them as they proceed with their education. Also this year the population of our students increased by more than 40 students to a total of 126. Last year we were also able to open a branch of our Christian school. In that branch we have 56 students. This year very soon we also we plan on renovating the roof of Lifeway. Thanks for your prayers and support.

Christian Care Ministry

God has given us an opportunity to reach out to the needy children in the community. Our goal is to tell them about Christ, give them Christian based education, feed them and provide their needs. Thank you for the support and prayers. May God bless you.

Prayer Requests

1. Pray for our family especially our son's wedding.
2. Pray for the lost souls that the Lord may touch them.
3. Pray for our Christian school.
