Missionaries to the US Hispanics

January 2026

Dear brethren,

How quickly time passes—here we are already finishing the first month of 2026. We hope that God blesses your lives and ministries. For us it is a great joy to greet you through this letter, grateful for your friendship, your prayers, and your faithful missionary support during 2025.

November

We had the great blessing of baptizing five young people from our church: Stephanie, Josel, Isaac, Erika, and Kendrick. I ask for your prayers for them and for their spiritual growth. We also held our missionary conference, a time of edification and revival in the church. We divided into four teams and had several missionaries who shared with us their burden for lost souls. We are thankful to God, the faith promise increased and we will have the opportunity to help more missionaries.

This month was also a time to reflect and thank God for His faithfulness and for all His blessings. We had a dinner and a special Thanksgiving service, and many brothers and sisters thanked God for His goodness. We also want to thank Him for the immense love He has for us.

December

A month full of evangelistic activities, announcing to the world that Jesus came into this world so that by believing in Him we may have eternal life.

We began this month by celebrating the wedding of our brother Gerardo and Erika. They came to the church about three and a half years ago through the music ministry, accepted Christ, began to be faithful, went through the discipleship course, we baptized them, and now they have arranged their marital situation. What a blessing to see that the Word of God saves and changes lives.

For a long time, it was our desire to start a youth meeting, and thanks to God this month we were able to accomplish this goal. We began our weekly Friday meeting called Generation Alpha-Z. Thank God, many young people are being faithful and receiving discipleship through this ministry. I ask for your prayers for this new generation—that they may be faithful and that they may take the gospel to their generation.

Thank you very much for reading this letter. God is good to us, and we are eager to see what God will do in 2026. God bless you.
