Northwest USA Church Planters

January 30, 2026

Dear Praying Friends,

Hello! It's hard to believe we are already a month into the new year! We were in North Carolina for Christmas and most of January. Jason was able to fly up and spend Christmas with us! Thank you to each of you who sent Christmas cards or special Christmas offerings to our family. You all are a blessing to us! We truly appreciate being a part of your mission family as we "strive together" for the cause of Christ!

We have been able to visit several of our supporting churches as well as many new churches in the past couple of months. When we left Washington state in September of 2024, after being on the field for 19 years, we were at about 60% of our needed support level. To God be the Glory, we are now at about 80% of our needed support level. Praise the Lord for several new churches that have partnered with us to reach the Northwest United States for Christ!

It is always a privilege to preach and share the need for church planters in the western United States. Many people know how beautiful the landscapes are out west, but few realize the spiritual bareness of the land. May we all have a renewed vision to reach our own country with the gospel! Jesus said in Matthew 9:37-38, "The harvest truly *is* plenteous, but the labourers *are* few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." Paul's prayer in Romans 10:1 was for Israel to be saved. My prayer is that America might be saved. If you or someone you know is interested in church planting out west, please reach out to me. I would love to help as they follow the Lord's call on their life.

Our ministry display table

Please continue to pray for our nine missionary church planters already on the field. They are faithfully laboring in the place the Lord has called them. We will head back out west at the end of March, and we are currently scheduling to be with each of our missionaries this year. We look forward to being with each family and helping in any way we can! Our hearts are truly planted in the western United States, and with the precious people the Lord has allowed us to work with in ministry. Please pray for two church planters who are currently on deputation to go to South Dakota and for two missionary helps church planters who literally are traveling all over the United States and into other countries helping church planters and churches.

Thank you again to the many churches and individuals who pray for and support our family and ministry! We truly could not do this without the prayers and support of God's people. May the Lord richly bless you!

In Christ,

Tim, Jennifer, Jason, & Layla Wall
