**March 2026**

Dear Friends in Christ,

Greetings to all of you from Haiti. We deeply thank you for keeping us in much-needed prayers, and thank you for your love and concern for us here in the mountains and for those of us in the village. We deeply appreciate your monthly support and the special love offerings many have sent. God is so good to us. He knows just when to lay us on someone's heart. May God give you many blessings.

We are getting ready for our yearly conference in April, "Give God the Glory." This year, it will be at Leglise Baptist Macedonia de Dantiss. Please keep us in your prayers for this special time together.

Our new family, Dieubon, Mme. Dieubon, Wadley, Renald, and Azenor, have been very faithful. The three boys are in my Sunday school class. They love their weekly verses, especially with stickers on them. My class is such a blessing and very special to me. When Missy can be with us, she and MyLove teach the class. The kids love it when she can come. Praise the Lord, He is able to use the girls as they have a desire to serve Him.

Rosie has been very sick with typhoid. It has been a hard time for her, especially getting her strength back. She is in school now and takes that long hike each day but needs that rest each afternoon. Please pray for Rosie.

We have our new gate up and fence repaired and are still working on repairing our roof on the depot and our water supply. Hurricane Melissa did her work! What a vicious, angry storm!! We are so thankful God has protected us.

May you all have a very nice Easter. We have so much to be thankful for when we look at what Christ did for all of us on Calvary.

Under His Wings,  
Connie Anderson
