Kenya Project Representative

There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. **Romans 8:1**

Dear faithful pastors and churches,

Interests and burdens for the people and ministry in Kenya, Africa, are growing with each passing day. In the past several years, we have had several teams from various Independent Baptist churches spend one to two weeks viewing the work God is doing, but more than that, they are actively involved in reaching the nation of Kenya. We are taking a group of people in late October, Lord willing. Call Roger Baker if you or others have an interest in going and being hands-on, winning, and discipling many Kenyan youths and adults.

1. This ministry now supports nearly 100 Independent Baptist preachers who are involved in the schools and colleges of the land. Most have had about 3 years in our two colleges, which train these men to reach the school-aged (elementary, high school, and college/university). Many are also involved in church planting. This past year, 28 new churches were established. Many of these now have built their own church buildings in the towns and villages of Kenya.

2. The Kenyan IFB churches are under the guidance of a godly Kenyan pastor named Dr. Seabury Nyabero, who was won to Christ and disciplined by an American missionary. Several years ago, I and several others were asked to come alongside the nationals in winning this needed nation and to give opportunities to hear the gospel and to respond and get help. In fifty years of ministry, I have never seen such an open door and opportunity. Call me, and I will tell you how anyone can be a part of this. My number is 336-813-5166.
