Serving as Director of Media &
Assistant to the General Director

April 2026

Greetings in the wonderful name of our Lord and Saviour! We trust this quarterly update finds you doing well. We have seen the blessings of the Lord throughout the first quarter of this year. The Lord has kept us busy, and for that, we are thankful. We have been blessed to be part of services in Georgia, Florida, and Virginia. Some of these were pulpit supply, some were missions themed services. We thank the Lord for each open door and each opportunity He gave us to stand and share His Word.

The past three months have been busy working on various media projects. I have helped one of our new missionary families with his printed materials, including his prayer card, letterhead, and tabletop banner. I have also worked on presentation videos for two of our missionaries and an update video for another veteran missionary. I am also working on learning some updated software that should help make better videos in the days ahead. We also had to redo our online giving platform for our Macedonia website. The Lord blessed and gave us wisdom to help accomplish this task.

Time is now being spent preparing for our upcoming Reach the World Youth Conference that will be held at our International Headquarters on Saturday, April 18. This is always an exciting day. We are praying that the Lord will use this day to challenge the hearts of everyone in attendance regarding world evangelism. From planning, to setup, to running the sound system and media presentations on the day of the event, there is much to do.

Our missionary Refresh Week will also be held this summer. We desire for this to be a time of encouragement and help for our missionary families. We are looking forward to seeing the ones who are able to join us the week of June 22. Please help us pray for a great week of encouragement, instruction, and fellowship.

The newest edition of the *Focus on the Field* magazine is now completed and available, if you would like one. The *Focus* always has some great articles from our missionaries serving around the world. I enjoy reading the articles and seeing the pictures as I am working on the layout for each issue. They challenge my heart, and I believe they would challenge yours as well. If you would like a copy of the *Focus* or a bundle of copies for your church, please reach out to me.

In May, we will be blessed to attend Seth's college graduation. He has worked hard for these past four years. We are proud of him. He is praying for God's will for his life, and we are trusting the Lord to guide him to the right place of service. Please pray that God would work out every detail for him. Ethan will finish his first year of college in May. We are thrilled with all that God is doing in his life. Ashlyn is busy in high school and looks forward to finishing her freshman year soon. She now has her learner's permit and is learning to drive. Time surely flies by, and they do grow up so quickly.

As we close, we want to again say thank you for your faithfulness to pray for and support our family. You are a great blessing to us. If we can help you in any way, please do not hesitate to reach out. It has been some time since we have been able to visit some of our supporting churches. We would love to come by and update you on our ministry this year.

Serving Him with gladness,
Travis, Wendy, Seth, Ethan, & Ashlyn Campbell
