## INTERNATIONAL MISSIONARY HELPS

Dear Pastors and Praying Friends,

March 2026 Prayer Letter

It's hard to believe the first three months of this year have already passed. We will begin this year a little different than usual.

Our family will be leaving next month for Pontoon Beach, IL to replant Central Baptist Church. Pontoon Beach is in the greater St. Louis area, but on the Illinois side. Thousands of people live in that area, and very few Bible-preaching churches are there.

As International Missionary Helps, our "job" description includes many aspects of the ministry. We count it a privilege to get to go and help this church. We have set no time limit on being there. We have a camper that we will live in beside the church, at least for a while.

We held a tent meeting at this church last year in August. I am familiar with the people there. They have a small number of people that is willing to work. Our goal is to get the church healthy again to the point of sustaining a more permanent pastor. Please pray for us and the church there that the Lord will work greatly. When we arrive, I plan to hit the ground running with Bible handouts, door-to-door evangelism, and public evangelism. I'm desirous to see people saved and begin discipleship lessons with those who want to grow in the Lord.

Annie will be going on another missions trip with our home church mid-April. They are going to assist missionary David Ballenger in the West Indies. She has saved money and collected old sneakers to recycle for money. She sent out a letter to some of our supporting churches. Several have responded to help with the expense for the trip. She has received all of the necessary funds. Praise the Lord!

Thank you all who pray and support our family.

God bless each of you!

In Christ,
