CHURCH PLANTING  
MISSIONARIES IN BRAZIL

**MARCH 2026**

Dear friends and supporters,

We are rejoicing in God's great goodness to us! What a privilege it is to serve Him! The Lord is doing great things here and we wanted to share with you some important and exciting news.

We were thrilled for a soul who got saved recently. We had been asking prayers for Thaemilly for a long time and what a joy it was to see her trust Christ.

We also took a big step of faith in closing on land for our church to build on. We are so excited and trusting the Lord will provide the necessary funds to buy and build. We closed on a corner lot on a main road, the same road our rented building is on, just steps away actually. It is a little over 5,000 square feet. It is still being developed and we will only be able to begin building mid 2027. The total cost of the land is \$107,000. They asked for 15% for the down payment. We had \$8,000 dollars set aside for the land which we are giving as part of the down payment and they are allowing us to split the rest of the down payment in installments for 11 months before we start paying the normal mortgage on the land. Would you please prayerfully consider helping with this need? Whether it be a one time gift or a monthly gift, it will be a huge blessing. We are very excited about this new phase and looking forward to seeing what the Lord will do.

May God richly bless you as you labor faithfully,
