Greetings from the MGPI printshop,

Hello to all of you that support the printshop whether by prayer, financial support, or both. We appreciate you all so very much. We are in this ministry together, getting the Gospel message to souls around the world through the printed page. We will never know, this side of heaven, how many souls are reached through the millions of tracts God has allowed us to print. Each one is a message of hope to someone that needs Jesus.

We wanted to send you a big thank you and an update about what is going on around here. The Lord is sure good to us!

It seems like in our more recent thank you letters we have talked more about press and machinery breakdowns. I probably have shared how much constant maintenance is required to keep these older machines running. I want to say thank you for your prayers but also a thank you to Bro. David Wade, our assistant director and pressman at the printshop. He is such a blessing to work on and maintain the equipment. It is not an easy job.

Also, thank you to Bro. Richard Vance, who, as you know, had to face amputation of one of his legs and foot below the knee. I'm sure it would be easy to say "I can't," but we are so thankful he says, "With the Lord's help, I can." He is our layout and bindery man and is "back in the saddle" so to speak.

I can't write this without saying thank the Lord for Sis. Jenna Gherardini. She is the printshop secretary and so much more. God knew who we needed and how much we needed her when He sent her to us. She prints and mails all the missionary prayer letters, keeps up with all the tract orders coming in and going out, and is always so willing to help in any way needed.

It is amazing that with such a small staff the Lord helps us to do so much for Him. We are grateful for every volunteer that comes in from time to time to help out as well. I must thank Bro. Webb and his wife who at 92 years old still comes in to help fold and box Gospel tracts. It will be such a blessing to see them receive a crown in heaven for all their faithful years of service.

We can't thank you enough for all you do. You are a vital part of what the Lord is doing through Macedonia Gospel Publications.
