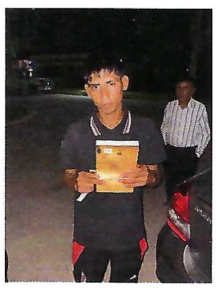
Missionaries to Argentina

January-February 2026

Greetings from Argentina!

We hope that you had a wonderful start to the year. Our prayer is that in this new year, 2026, we will love God and serve Him even more than we did last year. We also pray that this year is beginning in the best way possible for you.

January and February are normally slow months for us. Many members of our church family have to leave town and go south for about three months to work. Most of them go to Mar del Plata, a city about seventeen hours from Termas.



Even during these slow months, we continue going soul winning from house to house. One day we met Reinaldo. He had been attending a Pentecostal church but stopped going because the pastor was asking for 70% of the members' total income. We were able to witness to him, and he has been coming faithfully ever since. We have also been praying for the owner of the small storefront where we are renting and holding services. I had the opportunity to witness to him, and he accepted the Lord as his Savior. Since then, he has been bringing his entire family to church — his wife, sons, and mother-in-law. A few weeks ago, he called me and said that the Lord had put it on his heart to no longer charge us rent. Since then, he has been allowing us to use the storefront for free! It is wonderful to see how the Lord has been working. Even during the months when attendance has been lower, He has continued bringing us new people. We just need to keep working and faithfully winning souls.

Building Construction Update:
The walls are now 16 feet high, and we are almost ready to install the sheet metal roof. We praise the Lord as He has provided most of what we need for the roof of the church. We are still lacking about $1,600 to complete it. We are excited to see how the Lord will continue to provide for this project. If you would like to be a part of this project, any amount will help us keep moving forward. After the roof is finished, we would like to install the floor and lights so that we can begin holding services in the new building.

Family Update:
Matthew is now 1 year old. He is walking all over the place and loving food!

Goals for 2026:

- Keep winning souls
- Finish the church building
- Purchase a van for the ministry

Thank you so much for your faithful prayers and for the support you have given throughout 2025. May the Lord richly bless you.
