Dear Pastors, Friends, and Faithful Supporters,

I hope this letter finds you all doing well and enjoying God's blessings. Out here in Wales, it finally feels like spring has arrived. The daffodils are blooming everywhere you look, and the pastures are full of newborn lambs jumping around. Even though we're still getting plenty of "Welsh weather" (lots of rain and cool breezes), having the extra daylight has been such a huge boost for our spirits.

A Garden-Themed Get-Together

On March 7th, we held our annual Ladies' Luncheon. We had over 30 ladies come out, and it was a fantastic time of fellowship. We were fortunate to have a guest speaker come down from Northern England, who gave a great garden-themed devotional and even taught everyone how to paint their own garden scene. The feedback was wonderful, and it's always a blessing to see the ladies in our community enjoying themselves and hearing the Word.

A Special Visit from Home

A real highlight for us was having my parents visit at the end of February. It was their first time seeing our life here in Wales. We loved being able to show them around our community, introduce them to the folks we're ministering to, and visit some local sites together. It really encouraged them to see the work firsthand, and it was a treat for Dana and me to have them here.

Busy Days Ahead

My preaching calendar is pretty packed for the rest of March and into April. I've been filling in at various chapels where they either don't have a pastor or the local minister is taking a short break. We're also gearing up for our Good Friday and Easter services, and as soon as those are finished, we'll be jumping right into preparing for our spring Holiday Bible Club.

A Matter for Prayer

We are still waiting to hear back from the government regarding the changes to immigration laws. We're expecting a letter mid-to-late March that should give us more details on how this affects our status. Please keep praying for us. We really want to stay here and continue the work! If you feel led to give toward the upcoming costs for our visas or residency applications, we would be incredibly grateful.

Thank you so much for your love, prayers, and financial support. You're such a big part of what we do here.

In Christ's Hand,
Jason and Dana Rongione
