Dear Pastor and Friends,

*First, I thank my God through Jesus Christ for you all, that your faith is spoken of throughout the whole world. God is my witness, whom I serve with my spirit in the gospel of his Son, that without ceasing I make mention of you always in my prayers; Romans 1:8, 9*

I reported last year that our press was down for almost three months due to the Discharge Cable going bad and the delay in getting a new one. This cable must supply 20,000 volts to charge the powder to prevent offset between the sheets of paper.

**Burnt Out Cable**

We finally got the cable in August. In February, the cable shorted out again due to a defect. The manufacturer said that they would replace the cable, but could not tell us when we would receive a replacement. In the meantime, I found the wire that they used in making the part at a Wire & Cable supply company. Using parts from older Discharge Cables where the wire had

burned out, I was able to make my own. So far it is working great.

Also, I want to thank Bill Paulus, from Peoples BC in Tucker GA, for helping me refurbish the spray powder unit so that it will run like new.

It has been a blessing to

have this press even though it is 48 years old. God has enabled us to print millions of gospel tracts for missionaries and churches. These tracts have not only brought thousands to Christ, but have also helped in planting many churches.

We have printed and supplied missionaries and churches with our Spanish and English tracts. These tracts have been very effective in reaching Spanish speaking people. The Romans' Map to Heaven, If You Died Right Now..., and The Greatest Question have been very successful and popular for sharing the gospel.

Please pray for my mother, Vindetta Wade. As many of you know, she and my dad, Dr. Thurman Wade, gave 40 faithful years of service to Christ with Macedonia. However, her dementia has taken another turn downward and is requiring more supervision. She is telling us that she is in a lot of pain due to some health problems. Her doctor is treating her, so please pray with us that she will get relief soon.

Thank you for your continued prayers and support. May our precious Lord bless you in the days ahead.

In Christ's Service,

*David & Florence Wade*
