Dear Praying Friends,

Hello from the road traveling west! We are traveling this week in our RV to head back out West! When we crossed the Mississippi River our hearts skipped a beat as we entered back into the Western US. This is truly home. We are thrilled to be heading back into the Western US where the Lord has called us and firmly planted our hearts. What an honor to serve the Lord in this great, beautiful expanse that so desperately needs to hear the Gospel.

We spent February in Florida where we were able to park our RV at our son's house and drive the car to our meetings in Florida and Alabama. We are so thankful for the time we had to spend with him! We are also grateful that we missed the ice and snow that hit most of the Southeast. We spent the first week of March in Alabama at a missions conference and then traveled to North Carolina for two weeks. We are thankful to have been a part of several different churches' missions month in March. I had the opportunity for the first time to present our ministry to a Spanish congregation with the help of an interpreter. I also was a part of a parade of nations where I held and represented the US flag. Praise the Lord for churches who believe in the Great Commission to reach the world with the gospel!

Layla also turned 17 in February and spent her birthday traveling up to Alabama! Layla is an integral part of our ministry and we are so thankful to have her with us as we travel!

Please pray for our safety as we travel. Also, please pray that we will be a help and blessing to the missionaries and churches out west. Paul tells Barnabas in Acts 15:36, "Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do." We are excited to once again go visit our brethren and see how they are! We are looking forward to preaching missions conferences, helping door knock and evangelize, helping with a church float in a parade, working at a Christian camp, and whatever else they can find for us to do!

Thank you again to the many churches and individuals who pray for and support our family and ministry! We truly could not do this without the prayers and support of God's people. We are constantly amazed at the goodness of the Lord and the generosity of God's people.

In Christ,
Tim, Jennifer, Jason, & Layla Wall
