Dear Praying Friends and Supporters,

Glory to the Lamb, who hath made us partakers of His holiness, which has given to us an effectual door to minister the Word of God! The Lord has allowed us to continue the street ministry which always gets a response. There is usually at least one person who pulls into the parking lot and asks, "What are you protesting?" With all the liberal political views and constant protests, the response is understandable. We usually just smile and say, "**SIN**, that's what we are protesting!" Door to door is a little more difficult with most people thinking we are Mormons, but it is still working. We have had numerous phone calls, emails, and verbal responses with a promise of attending service soon.

Our field director stopped in for a visit recently, and we enjoyed the time he and his family spent with us in service and on the street. They will be back with us in June to help pass out more invitations. The **planting and watering** are taking place, please pray for God to give the increase.

Dave, a man that we have been witnessing to for about six months, said he was coming to Wednesday night service, but he was hindered by a death in the family. Pray that our family could minister to them during this time and that the gospel will go forth during the funeral. Pray for **Becky**, a lady we met during door to door, to follow through with her promise to sit down and answer questions from the Bible that she had for her children.

Everyone that was moving to help in the church plant is finally here!! Mark, Grace, and Sophia closed on their house and are expecting their second daughter in August. Isaac and Rebecca found an apartment close to work and the church. John and Kaitlyn are settled into their apartment and are expecting their first child in May. We are excited about the prospects and the work that has been accomplished but pray that God would save a sinner!!

"All that are with me salute thee. Greet them that love us in the faith. Grace be with you all. Amen." Titus 3:15
