

PLANTING HISPANIC CHURCHES

THE CHACONS

MISSIONARIES TO OHIO

March and April 2026

We are grateful for the opportunity to share what the Lord has been doing in our ministry. This past season has been filled with many blessings that have encouraged our hearts and strengthened our faith.

We recently celebrated a wonderful Easter service, rejoicing together in our Risen Lord. It was a special time as we gathered to reflect on the victory of Christ over the grave. Following the service, we enjoyed a sweet time of fellowship with a church-wide lunch, celebrating not only the resurrection but also the unity we have as the family of God.

Another exciting development is the start of a new study focused on why we believe the Bible is the true Word of God. This study has already been a great help in strengthening the faith of our people and equipping them to confidently share their beliefs with others.

We also want to express our sincere gratitude for your faithful support—both financially and through your prayers. Your partnership enables us to continue the work the Lord has called us to, and we are deeply thankful for each of you.

We are rejoicing in the salvation of a precious soul! There is no greater joy than seeing someone come to know Christ as their Savior, and we praise the Lord for this eternal victory.

As we look ahead, we ask for your prayers in several areas. Please pray for success as we begin a new visitation program, that we may effectively reach more people with the Gospel. Pray also for continued spiritual growth within our church, as well as numerical growth as new families are reached and disciplined.

We are also looking forward to a Mother's Day outreach activity in May. We are praying that this event will be a meaningful opportunity to connect with our community and share the love of Christ.

Thank you again for your faithful partnership in the ministry. We could not do this without you. May the Lord richly bless you for your continued support and prayers.

God Bless,
Ivan, Susan, Chloe, Sofia and James Chacon
