Preaching at meetings and other events

Prayer requests:

- Jonny's Needs in Mexico City:
- His upcoming mission trip to South Africa: For protection, traveling mercies, and good health.
- Provision: For funds to sustain his bus route ministry and cover his college expenses.
- Employment: He is looking for an online job, providing the flexibility he needs to balance his studies and his ministry.
- For our finances, may God keep providing as the economy is getting difficult.
- For traveling mercies and health while traveling.

"Brethren, pray for us."

MARCH 2026

Dear Church,

Our hearts are heavy, yet full of praise for the way the Lord works even in the midst of sorrow. In Loving Memory of Hazael. We ask for your special prayers for the family of Hazael, a 13-year-old boy who went to be with the Lord this past Sunday, March 29, after a brave battle with cancer. Our son Jonny had been visiting Hazael regularly to pray with him and offer comfort; we praise the Lord that before these visits, Jonny was able to lead Hazael to the Lord. Preaching the Gospel in the Midst of Grief This past week, Hazael's mother asked Jonny to lead the memorial service. It was a powerful opportunity. Surrounded by approximately 100 friends and family members, they sang hymns, and Jonny was privileged to preach the Gospel. Please pray that the message of eternal life will take root in the hearts of everyone who attended and that the Holy Spirit will provide comfort to Hazael's grieving mother and family.

Ministry Highlights: The Lord continues to move in his work:

- 8 Souls Saved: We rejoice in the 7 people saved in Milwaukee and 1 in South Carolina during our recent travels.
- A Month of Ministry. It has been a busy but blessed month! We were able to attend all our scheduled meetings across South Carolina, Mississippi, Wisconsin, North Carolina, and Ohio. We also enjoyed a refreshing time of fellowship with fellow servants at the Siervos conference at First Baptist Church of Hammond, IN.
- We praise the Lord for His continued hand of protection as we travel. Our van is still hanging in there, and we were so encouraged by a recent, generous gift from a sister with a big heart to help with its upkeep. We are constantly reminded that the Lord provides exactly what we need, right when we need it. We are saving for a newer van that we will be able to use while on deputation and take it with us to Mexico to continue to use it for the ministry.

Thank you for standing with us in prayer and support. We are reminded more than ever that our labour for the Lord is not in vain.

To God be the glory,
The Guzmans
