Dearest Church Family,

February - March 2026

NO RETURN: This is the very first time in our lives that we have flown to a foreign country with no return tickets. For us, it is a very joyful feeling to know that we are now home. We will finally get to re-establish our lives into a new normal. Upon our return, I was invited to preach at a midweek service in Georgetown, and the first night of a missions conference for a very young church across the river. It was a blessing to see their heart for Missions.

WE NEED THE CHURCH: This was the theme for our our Bible Conference this year. Upon our arrival back home in Port Kaituma, we had just barely enough time to prepare for our guest preachers and their families. Pastors David Brown and Aaron Harris did a wonderful job preaching to our people about the local New testament Church. We saw not only great attendance to the meeting, but great response to the preaching. On Sunday night, we concluded by celebrating our 27th church anniversary. It was such a joy to see our church people laughing together in sweet fellowship.

FAMILY FOCUS: Life here is hard. The sun is hot. The days are long. The burdens and cares of the ministry are real. But soon the sun goes down, and the burdens of the day are sweetly eclipsed by the time spent together as a family. I have called Haylee my "gem of the jungle" for she turns our lives in this difficult region of the world into a paradise. Sabina loved having company just as much as we did. The night before their departure, Sabina came walking out into the living room with her play dress and pajamas under her arm. She told us that she was going to fly home with them and play for three hours, then she would get on the bush plane and fly back to us. Little James is starting to make cute smiley faces now.
