

The Tubillas Family

Missionaries to the US Hispanics

April 2026

Dear brethren,

It is a joy for me to be able to communicate with you once again through this letter. Time passes very quickly and life on this earth is constantly changing, but God and His promises are faithful, and we patiently await His soon return. It is our prayer that as you read this letter, you rejoice together with us in how wonderful and powerful our God is, and that even though we may not always see it, He continues working through His Word, performing miracles in the lives of those who trust in Him.

January

We continue moving forward with our visitation time; every Saturday we go out to knock on doors in the neighborhoods of the area to share the good news. We have a group of brethren, especially young people, who are faithful in soul winning. Despite the cold temperatures, we press on. I ask for your prayers for this ministry, that the brethren may remain faithful in obeying Christ's command to go and preach the gospel to every creature.

We also continue with the Bible Institute on Mondays and discipleship on Tuesdays. We have brothers who are new believers, and we know we must disciple them so their faith may be strengthened, and that is what we have tried to do faithfully.

February

We had a month dedicated to family and friendship. We held a friendship banquet for the youth and another for the married couples of the church. We had games, contests, Biblical preaching, and fellowship. It was a time of spiritual refreshment.

We also held a family conference titled "*Protecting Our Home*" with Pastor Joel Marsh Jr., which was truly a great blessing. We invited local churches to join us, and each day we had the visit of four churches, which was a great blessing and encouragement for us to see them and serve them in the love of Christ.

March

We traveled to Indiana, to the First Baptist Church of Hammond, with a group of 11 church leaders for the pastors' and leaders' conference titled "*Servants*." What an amazing time we had; we made many decisions and renewed our vision to do more for His glory and honor.

We also had a workday at the church, renovating, painting, and cleaning the building that God granted us 9 months ago. There is still much work to be done; it is a temple built in 1967 and requires a lot of maintenance and labor, but God is faithful, and I am sure He will provide.

Thank you for your prayers and for taking the time to read our heart in this missionary letter. May God bless you abundantly.
