THE CAMPBELL FAMILY

MISSIONARIES IN QUEBEC

April 28, 2026

"But now, O LORD, thou art our father; we are the clay, and thou our potter; and we all are the work of thy hand."
Isaiah 64:8

In full-time ministry, there is often so much work to be done that we can get caught up in the idea that God is waiting on us to accomplish His plan. When things don't get done right or not at all, we feel the weight of failure if we forget that God's priority is His work in us as His children, to form us into Christ-like servants. The changing of the seasons serves to remind me that life and ministry have seasons of growth and rest, pruning and fruit-bearing, and that God has a plan for each season. His work is always advancing, and He is using all things for His glory and for our growth.

Dakota recently turned 17 years old. As we've been praying for the next season in his life, the Lord has given us peace that it is time for him to move back to Georgia to complete his schooling. While we will miss him at home, we know this is the time for him to acclimate back to the U.S. He will be looking for a job and starting his classes to become an EMT in the fall, Lord willing. Please pray with us as he transitions to life in the states. He was 5 years old when we moved to the mission field 12 years ago. He has grown to be a young man we are proud of and very thankful for. We pray that he will find a good group of friends that will encourage him in his walk with the Lord as he begins this exciting but challenging season.

Ashlyn is finishing up her sophomore year in college. The Lord has been faithful to provide all her financial needs as well as giving her friends and teachers to encourage her along the way. She has found many opportunities to serve the Lord there and now has a great opportunity to serve as a camp counselor at the Wilds of New England this summer. We are praying that her joy and godly influence will impact every child she will be working with this summer. Since it is a small camp ministry and not a full time job for her, we'd like to ask if you would consider supporting her during her summer counseling to supplement her expenses for the upcoming semester. If you would like to help, please send donations through the mission board (donate online at mwbm.org) and mark it for ASHLYN WILDS in the the field for Josh & Sarah Campbell. Please be praying for her to have good health and energy throughout the summer!

Our Easter Sunday started with losing power at home because of an ice storm that began the night before. Thankfully we were still able to go to church, and we enjoyed a lovely Easter Sunday with our church family. Many of them don't have family to celebrate such a joyous occasion with, and we treasure the fellowship we have as brothers and sisters in Christ. So many in our church are praying fervently for family and friends to be saved. Please pray with us that the Lord would continue to work and draw these souls to Himself.

Continue to pray for our church family to progress in spiritual maturity and personal discipleship. Our young men in the church maintain a strong desire to follow the Lord and serve Him faithfully. Please pray for Mike, William, and Justin because there are challenges they face every week as they pursue a life that is counter-cultural. Our song leader, Luc, spends the winter months in Florida but uses this time to be a missionary in his community down there. He was able to start a Bible study there this year, and it is continuing even though he is now back in Quebec. Pray that it will continue to grow even in his absence.

We continue to pray for a spiritual awakening in Quebec. We are seeing signs of such an awakening, and the people need to hear the truth as they begin to hunger for a sense of meaning and purpose that the world and culture cannot satisfy. Thank you for your support as we share God's truth. Your love and prayers encourage us immensely!
