Dear Pastor & Church,

We are so thankful to report that the Lord has used several of you to help meet the need of replacing the motorcycle that was stolen and also we were able to buy a van for the church in Purworejo. Pastor Jemingan sent me a video of him picking up the van and it was so good to see him smiling so big over God's blessings. A missionary sent me a message saying he had replaced his van with a larger one and did I know anyone who needed his old van. Years ago we had owned this van so we were very thankful to be able to buy it for the ministry in Purworejo. Thank you to each of you that prayed and gave to meet this need and a very special thank you to the missionary that sold us the van for about half of its value.

We continue to work closely with the MWBM by attending all board meetings when in town and interviewing new missionary candidates and working with the orientation and training sessions.

We are thankful for open doors to be in mission conferences and for bookings to report into our supporting churches. Please contact us by email or phone 770-697-5593 so that we can schedule a time to give in person updates and any special meetings or mission conferences that we can attend or help you with.

Keep praying for new families with a burden and call to the Far East. The [REDACTED] family was recently approved to serve in [REDACTED], and another family is getting ready to apply. Thank you each for your support and prayers making it possible for us to have a part in this great work.

Love in Christ,

Stanley Ewing
