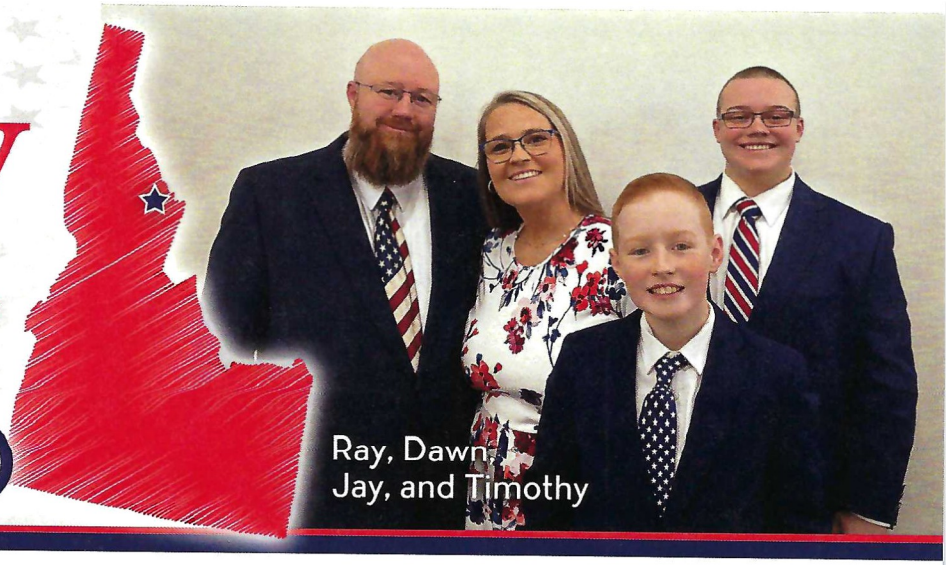
Missionaries to IDAHO



Greetings from Idaho!

March and April 2026

March and April have been huge for us in the home and ministry.

On the home front we were wrapping up school and preparing to enjoy the summer with the boys. I am excited to go fish and hike with the boys and potentially camp with them and show them some fun survival skills. This is Jay's last summer as a "kid" as he will be a senior next school year then off to college and what God has for him as a young adult. Timothy completed his piano lessons for the year and is wrapping up his 5th grade school year. We also got to celebrate his 11th birthday on April 15th! It is hard to believe he will be a 6th grader soon. Dawn and I have been amazed at how blessed we are to have 2 good kids who continue to want to serve and be a blessing to our church and community.

We have been blessed to continue discipling and serving the church and 2 nursing homes God has given us a ministry in. We have exciting news concerning one of the nursing homes! We had a 52 year old gentleman request regular visits on the assisted living side. Dawn and I would visit this man every week. After a month of visiting, he had requested I get him an old boom box for him to play CDs on. Dawn and I found him one at a local thrift store and delivered it to him a couple weeks ago. During this visit, God opened the door to share the full gospel with this man. I am proud to tell you that the man listened intently, believed and accepted Jesus Christ as his Lord and personal Saviour! This man's name is Jason. Would you please help us pray for Jason? God allowed us to lead him to the Lord, and then he had to move out 4 days later to a new assisted living out of our area.

Please Pray for Silver Valley Independent Baptist Church. We have had about half of the church attendance as usual. This valley has been experiencing a demonic strong hold like never before. Ministry is tough all over our country, and with the most recent economic and global unrest, we continue to face many difficulties in our community.

I must apologize for this prayer letter going out later than usual. We have had a few things that hindered us. First, we sent in an updated photo to be placed on our prayer letters and prayer cards and had to wait for those to come in. A few days after requesting this new order our computer experienced damage. We have a touch screen laptop with a 360 swing. This laptop was purchased when we first started with Macedonia in 2020. It has proven to be a major assist in home schooling Timothy due to his special learning abilities. It has also served as the main source of getting info typed out and sent to you all through prayer letter and email. One of the hinges locked up, which apparently is common for these laptops. One day we opened it to begin school, and it popped and cracked the screen. Half of the touch screen no longer worked. We went to a local repair shop and began to work on a solution to get it fixed. They first quoted us the screen alone to be $500. Thankfully, the guy suggested we look for a used screen for the model on eBay and watch until we were comfortable with a price. We continued to use the laptop and had agreed not to shut it as to cause more damage. Well, about a week after the initial damage, the entire hard drive crashed. This computer was a very costly investment. We are now at a point that we cannot fix it and must purchase a new one. In addition to this current need, I also need to purchase tires for our vehicle. The tires are bigger and are about $3000. These needs together are about $4,000-$5,000 total. Would you please pray with us about how God would have us to go about getting these two things purchased? If God impresses on your heart to financially give toward these things, you can send a check to Macedonia World Baptist Missions and put laptop or tires in the memo, or you can mail directly to us. This brings me to one last request. We have a new mailing address. We did make note of it in a previous prayer letter but have been notified by the post master that things are still being sent to our old addresses including our old address in South Carolina. If you want to send things directly to us, please make note the ONLY address we can get mail and packages at is:

817 Sunrise Drive
Pinehurst, ID 83850

I truly am thankful for all of the prayers and financial gifts given on behalf of my family and our ministry here in Idaho. If you are in need of more prayer cards, please let me know!

God bless you all,
