Claiming Keene *for Christ*

Romans 10:13-15

March-April 2026

Dear Prayer Partners and Supporters,

I would like to begin by praising the Lord for all He has done over the past two months. I trust each of you had a blessed Easter season. This being my first Easter in New Hampshire, it was especially meaningful. At the church where I am currently training, we had approximately 70 in attendance, and the pastor delivered a powerful message from Isaiah 53. There were many who do not yet know Christ present in the service, and I ask that you would continue to pray that the Lord would convict their hearts and reveal their need for Him.

Spring has finally begun to arrive here in New Hampshire, and ministry opportunities are increasing. As I mentioned in my previous letter, I have been serving alongside a local church, and it has been a tremendous blessing. The pastor and congregation have been a great source of encouragement and support. I have had the opportunity to lead singing, preach, and oversee a discipleship group for several college-aged young men. Please keep them in your prayers as they complete finals, finish the school year, and return home for the summer. I am looking forward to resuming our time together when they return in the fall.

As previously mentioned, the pastor has entrusted me with additional preaching opportunities. Beginning May 17th, I will be leading the afternoon service and starting a verse-by-verse series through the book of Titus. I am very excited about this opportunity and would greatly appreciate your prayers as I prepare and preach God's Word. Additionally, we are planning a park outreach that will include Bible preaching, games, and various activities. Please pray that this outreach will effectively reach the community with the gospel.

I also have some exciting news to share. We now have a start date for the church plant in Peterborough, New Hampshire, which is scheduled, Lord willing, for December 6th. I will be starting with a Bible study that will begin at 4:00pm. I earnestly ask for your prayers as we move forward with this endeavor. Please begin praying now for the community of Peterborough—that hearts would be prepared and that many souls would come to know Christ. In the coming months, I will be working on church-related materials such as the logo, website, and a town-wide mail outreach. Please pray that each of these efforts would be used to clearly present the gospel and effectively invite the community to the new church.

As this launch date approaches, I am reminded of the great need for continued prayer and faithful labor. The task before us is significant, but we are trusting the Lord to build His church. Please pray for wisdom, strength, and guidance in every step of preparation and that all would be done for His glory. Thank you for your continued prayers, encouragement, and support—it truly makes a difference in this ministry.

Prayer Request:

1. Church plant starting on December 6th
2. Souls to be saved
3. Park outreach
4. For wisdom on the series on Titus

In Christ,
Noah Gudger
