What shall I render unto the Lord for all his benefits toward me?
Psalm 116:12

Ministry

What a great start to the year! We have seen many souls saved already and many visitors coming each week. We just had Friends and Family Day, where we had around 120 in attendance. We had seven saved on this day alone and one more to get assurance of salvation. One of the ladies in our church, who is from Uganda, has temporarily returned there for work. She works with refugee mothers of newborn babies there, so, we sent clothes for her to give them and gospel tracts. She was able to use this to organize a Bible study with them, and led ten of them to Christ. Also, one of our men who was saved out of the Dutch Reformed Church a few years ago has preached a few of our Wednesday evening services where he spoke on the false doctrine taught there.

Our evangelism has gone great as well. We were joined by preachers from the Netherlands in January for street preaching. While Pieter, a man from our church, and I preached throughout January and February. We had good groups to participate in this, as well as in our door knocking ministries. We have seen more people to get involved, and this has allowed us to add some more door knocking to our monthly schedule. Please pray for those we are witnessing to, especially Jordan, a man we've been visiting, he is certainly under conviction.

Concerning the house on the front of our building, we met with the owner and agreed to the sale. We will work with a notary, to block our downpayment with them instead of the seller; then make monthly payments for the rest. Once it is mostly paid off, we can take ownership of the building and begin using it. We will save well over $100,000.00 in fees by doing this. We already have over half of what we need. With just another $100,000.00 we should be able to take over the building, or with around $150,000.00 we can pay it off entirely.

Personal

While many already know our exciting news, I have not yet announced it in a prayer letter. Baby number six, Alice Lois Haley, is due in August; she will be named for two of my aunts. This makes Lory the fifth woman in our church who is now pregnant. Lory thanks everyone for their kindness and greetings for her birthday. Pray for Emily as she has started violin lessons with a lady in our church. Josiah is trying to start piano lessons, but we are looking for a teacher.

Prayer

Pray for God to provide so we can quickly payoff the house on our building.
Pray for Lory and the other four women in our church who are pregnant.
Pray for my knee I have been exercising it and see great improvement.
Pray for Gail, as she edges closer to being diagnosed as cancer free.

Thank you for your prayers for our family and ministry.
I have no doubt that God has blessed us because of your faithful prayers, and we could not do this without you.

With Sincere Gratitude,
Bro. Junior Haley
